RE: Docket Nos. 38302S and 38376S

Dear Chairman Elliott:

The order entered in these dockets July 27, 2005 (served August 2, 2005, and effective September 1, 2005), approving the Government's settlement agreement with Union Pacific Railroad Company, further held these proceedings in abeyance while directing the Government to file quarterly reports on the progress of settlement negotiations. This report updates our most recent report of June 29, 2012.

We are pleased to report that on September 4, 2012, the Government and BNSF filed with the Board the Joint Motion of the U.S. Department of Energy, the U.S. Department of Defense, and BNSF Railway Company for Approval of Settlement Agreement and Prescription of Rate Methodology. We continue efforts toward a settlement and finalized settlement documents with Norfolk Southern. We will file a further report by the end of December 2012.
